Mountaineer spirit was shown throughout the Homecoming week. Class members were kept busy every week night with the building of their class float. Sophomores captured first place in float and hall competition. Iron Mountains usual academic routine was changed on Friday as the Rag Day creatures lurked the halls. Joy Nelson and Duane Santi were crowned Queen and King of Rag Day at the Pep Rally. The Mountaineers were lead to victory against the Menominee Maroons in a score of 46 to 6. The 1972 IMHS Golf Team lost five Senior members through graduation and therefore lacked playing experience. Despite the fact that they did not win a match, they made a good showing in the IMHS Invitational by placing fourth out of twelve teams. With everyone returning in 1973, IMHS Golf Team should be a strong contender under Coach Debelak in the Great Northern Conference.

Dear Mountaineers:

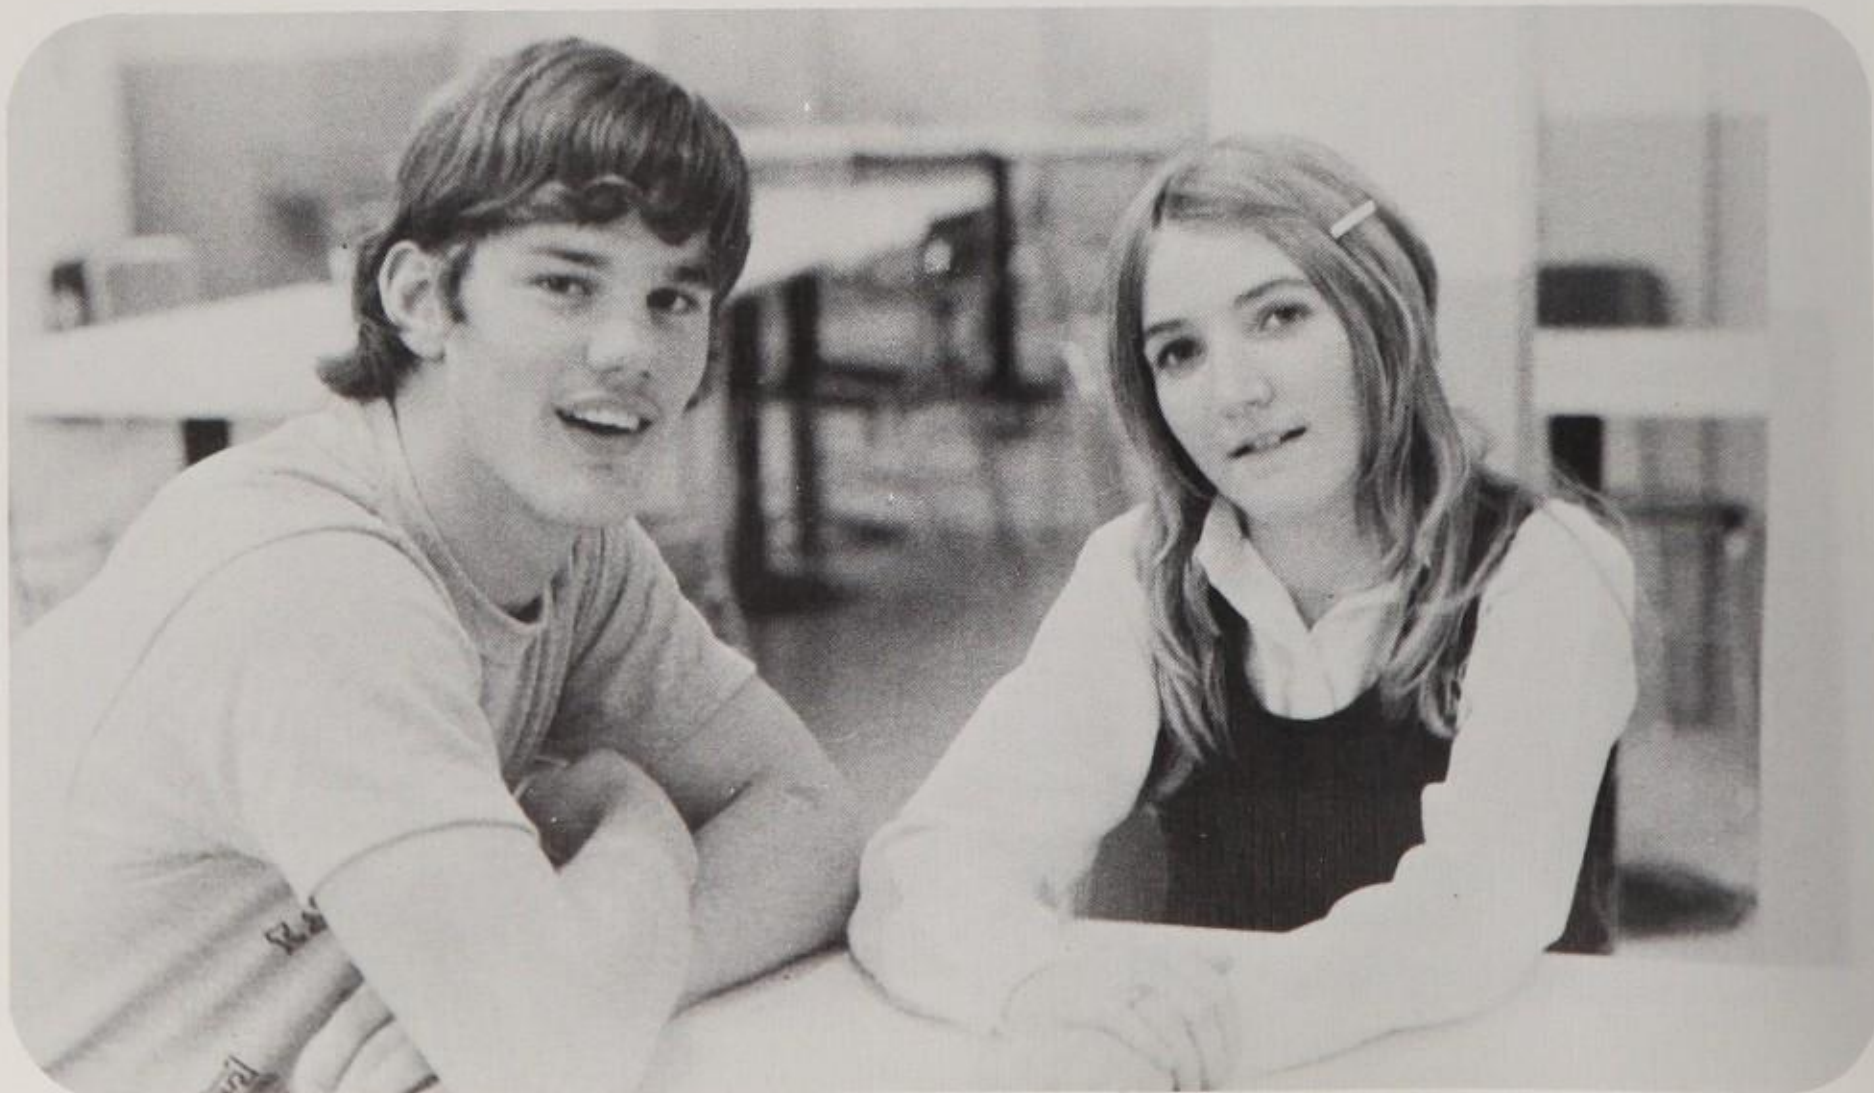

Graduation will be near by the time you read this page, which means I will soon be leaving. Because it has been the most wonderful year of my life, I do not want to leave without saying thank you for making my stay a wonderful one. All the wonderful times I had with each one of you will never be forgotten.

I'm really grateful for the things you have taught me which I never could have learned in books, and especially for all the help you so kindly gave to me. All the hellos, smiles, and fun times we have had together will always have a great meaning for me and they will always remain in my heart. You all accepted me and made me feel a part of you. But without your friendship and all the love the Negro family gave to me my experience would be nothing. Thanks again for everything and good luck to all of you in the future. Hope to hear from you some day. "Sao Khao Pen Khone Chid Chai Soung Lai" (Mountaineers are great!!!)

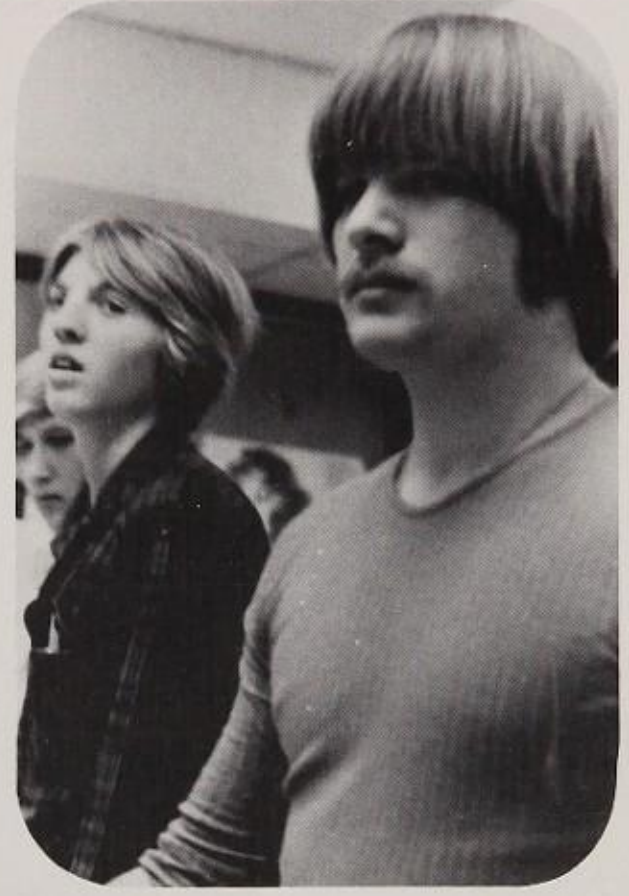

Sayakane Sisourong

Dear Mr. Noel: I wish that I had as good a time in accounting
as I had in Business Law, Dem.-in.-Act. ☺ Unfortunately,
I didn't, but I did learn more. You've been a great
teacher. One of your long-haired students, Bill Cote

Mr. Noel,

As the best singer and teacher I know. I
had a lot of fun in your classes this year
but I wish I would of had you sooner.

Katie Schroeder

Mr. Noel,

This is the first year I've ever had you for a teacher
and I'll honestly have to admit you've been a great teacher.
Sorry if I hassled you with the yearbook, but you know
how women can be. I hope to see you around.

Corey McCash

Mr. Noel,

I know you're really sad cause you never had me in any of your classes before this year but don't cry too hard. Don't be too hard on any of my brothers or sister when they get here. (5 of them!) Good luck always and behave.

No, really you are a great teacher and I really liked being in your class.

Good luck always & don't sing your heart out.

Renee Daulton

To Abstract Arthur, Dumb Duane and
Natty Noel. This year in shorthand has been
really something else. I don't think that I
would have made it without you backing me
up. There isn't enough words to say thank
you. You a great teacher and a good buddy.
Take it easy and be good. Love,

Larrie Quist

Mr. Noël: 🎵 🎶

It's been great having you for Accounting & Business Law.
Keep up the great teaching & don't stop with your
"schnard" remarks! Next year when I come back to visit
IMHS I'll stop up to see ya, and I hope you won't have
forgotten me already 'cause I won't forget you. (How
can I when you keep making albums & we keep on
buying them.) Good luck always,
Karen Gingras '73"

Mr Noel
I know you're a good
typing student, sorry
I mean teacher. You
know a great deal about
business law and I'm really
enjoying the class. Some
guys are crazy about base-
ball and some magazines on
sports but we listen to what you
have to say. And you are a good

To a pretty good guy who
is sometimes alright. I think
your records are good even though
I didn't buy one yet. Well good
luck with your future accounting
and business law classes.

- MR. NOEL -
To a real cool

a lot of laughs with. Your Buddy
Really enjoyed both
Accounting and O.I.A. with you this

teacher, and a pretty good singer
too, maybe a bunch of us guys will
stop in and see you sing one of these nights.
Good luck in everything.

Mr. Noel -

sure wish I had something funny or
sarcastic to write in here. But I don't.
I have enjoyed accounting so much and
shortland too. I try have become my main
interests and part of my "ultimate goal" in
life. I have ever so much for the
recommendation you gave Mr. Franklin.
Without you, I'd be on wellfare!!
Can't wait to go up Pine Mountain to
hear you, I bet I will grow up and
be just like Joanne Michael - listening
to you down the 4-I have every weekend.
See you next year as your ASSISTANT.

Happy 40th birthday. If you get a

funny ===== paper for your birthday
that's not required - it's from me.

P.S. I will never
know why I was
laughing at the banquet.
